The homebred horses of Zeidler Farm have put the Calgary-based breeding and training program on the map with top finishes throughout North America, most recently at the Winter Equestrian Festival (WEF) in Wellington, FL. With Nicholas Dello Joio in the saddle, Zeidler Farm young horses Zinnia ZF (*For Pleasure x Iroko*), Lady Margaret ZF (*Cardento x Iroko*), and Miquelon ZF (*Calvados IV x Igor de Vauptain*) all claimed numerous top six finishes throughout the season. Zeidler Farm is owned and operated by Canadian Show Jumping Team veteran Tani Zeidler.

Her daughter, Julia Tops, also enjoyed great success in the Amateur-Owner Jumper divisions aboard another Zeidler Farm homebred, India Blue ZF (*Mr. Blue x Calvados IV*), as well as new mount, Sire One. Tops acquired Sire One from Brazil's Yuri Mansur, and she and the ten-year-old Italian Warmblood gelding kicked off

their new partnership by finishing fourth in the \$15,000 High Amateur-Owner Classic during the 12th and final week of WEF. Look for Tops, Zeidler and the Zeidler Farm team at Spruce Meadows this summer!
