(Far left) "New York has always been good to me and I would say this is a career best for me from start to finish," said Canadian Erynn Ballard after a banner week that included a win in the \$100,000 Longines Speed Challenge and third place in both the \$382,800 Longines Grand Prix of New York and the Douglas Elliman Real Estate Masters One Trophy. "I was hoping for two top-10 finishes and I got three podium finishes. There's not much more you can do than that." Her Longines GP ride, Fantast, is a 2005 BWP gelding owned by Sagamore Farms.

(Left) Mario Deslauriers climbed to the top of the podium after claiming the Masters Two Trophy Mark Cross 1.40m aboard Curo at the Longines Masters of New York. Fellow Canadian competitor Wesley Newlands took second in the class riding Evita van de Veldbaal.
