Developing a young horse's confidence and technique over fences is an essential part of training. With his decades of experience training young jumpers into grand prix stars and top hunters, Jay knows what kind of exercises help a young horse learn correctly and produce results. He's chosen four exercises for the "Jumping Exercises for the Young Horse" lesson bundle that serve as the building blocks for training a careful, confident, and correct young horse.

Download the bundle now and help the young horses in your barn reach their full potential! The lesson bundles are a new element of Jay's innovative digital lesson service and include monthly module bundles of specially-curated lessons designed for specific stages of training. Lessons are delivered as a group in a single e-mail and are ready to travel straight to the ring.

What you get: One-time send of four specially curated lessons connected to the current month's module theme. This month's theme is "Jumping Exercises for the Young Horse." This module is ideal for the program with an up-and-coming jumper string. **Hurry! This bundle expires on June 30, 2019.**

Pricing: \$80 per bundle (four lessons)

Stay Tuned: Each month, Jay will release a new bundle, with themes ranging from "Show Ring Refresh" to "Fine-Tune Your Hunter."

"I feel lucky to have worked with some of the best trainers and riders in the world. In turn, I have been able to train, ride, and learn from some top horses. Because I hold some of their wisdom, I feel that I should make an effort to give back to the industry that made my career. That is what inspired the Jay Duke Virtual Lesson Subscription Program." ~ Jay Duke
