

CHICAGO HUNTER DERBY

Founded by Chicago Equestrians for a Cause, the Chicago Hunter Derby, presented by Canadian Pacific, celebrated its ninth year at Annali Farm in Antioch, Illinois. Spectators from Chicago and beyond enjoyed a day in the country watching many of the nation's finest hunter horses and riders while raising funds for select Chicago and equestrian-based charities. This year, the event benefitted the Ann & Robert H. Lurie Children's Hospital of Chicago, the University of Chicago Cancer Research Foundation, the USHJA Foundation and Horsefeathers Therapeutic Riding. —SM
