What riders are saying about Jay...

"Jay helped me back when I had ponies and I have to say he was very good about conditioning me to make a plan every time I go in the ring. When you are just starting out in the jumper ring or looking to move up the ranks, having a really fundamental grasp of position and rhythm is what will make you most successful. Jay does a great job of honing in on those basics to make sure you are absolutely prepared to move up. The higher you jump and the more prestigious the horse shows, it is easy to get caught up in the details, but the thing I always remind myself of are his lessons on the basics." ~ Canadian Show Jumping Athlete Vanessa Mannix

A portion of all proceeds from Jay Dukes Virtual Lesson Subscription Program are donated to JustWorld International and Uryadi's Village.
