### LOOK INSIDE

"Opportunities to be with horses were few where I grew up in Chicago, so I started riding at a carriage horse stable after I was inspired by a photo of my mother, Lynda, riding a horse in Wisconsin...After joining Pony Club, I got involved in pony racing. I wanted to be a jockey at first, but when I got too big for that, I focused on equitation and show jumping. My mother traded three used computers for my first horse, MVP No. 4." - Kent Farrington
