

"It's taught me to really focus on each individual step and movement so that I can train him to do what I need him to do. Because I truly believe that it's important to not skip steps, because each level is kind of a process of learning."

- [Andie Sue Roth](#)

[says the 17-year-old para-dressage rider on solving puzzles, including her Thoroughbred dance partner]

The Greatest.

9 Life Lessons Learned In The Barn

As a lifelong horse person, being around these animals has certainly shaped who I am today.

I've learned more from these large, four-legged creatures than I have from most humans, and I'm grateful for all the lessons they've taught me. Some of this wisdom is pretty easy to come by when you're working with horses. But others are more subtle, they change you a little at a time, until one day you look back and see just how far you've come.

LASTLY.

The U.S. government can round up thousands of wild horses each year, but sometimes it can take us an hour to round up **just one** supposedly trained horse in the pasture.
