

“Horses breathe understanding into the air, and it fills me with warmth and immunity against ignorance.”

- Murray Bruce, an autistic participant in an equine therapeutic program, in the recent documentary “Inside Our Autistic Minds”

Christian Simonson (right) with his coach, USEF's 2022 International Equestrian of the Year and Olympic dressage silver medalist Adrienne Lyle, after receiving the United States Equestrian Team Foundation's Lionel Guerrand-Hermès Trophy in January at the USET Foundation's Gold Medal Club Reception.
