Newsworthy

Horses Helped Chloe Kim Find Herself Again

Having dreamed of owning a horse for her entire childhood, Olympic snowboarder Chloe Kim made it a reality with Mochi, a chestnut Arabian gelding she purchased just after the 2022 Beijing Winter Olympic Games. Kim talks about how she got started in the saddle and how horses help keep her centered among the pressure and fame that come with winning three Olympic medals.

20% Is Not a Sale. It's Math.

Earlier this month, Dover Saddlery announced it would close all its stores nationwide. With outstanding bills due to vendors and a gap left in the equestrian retail market, these closures have sent a ripple through the industry. This article breaks down the economics of the closure and what it means for everyone involved.

How Enthusiasts Read Partnership and Positive Practice in Olympic Equestrian Images

As equestrian sports come under increasing scrutiny, a team of researchers set out to study how the fans perceive and respond to visual cues in photographs from the 2024 Paris Olympic Games. They found that images showing relaxation and partnership between horse and rider sustain social license to operate, while evidence of tension or coercion does the opposite.
