CLINICAL PSYCHOLOGICAL SERVICES

*For riders, parents, and families
involved in the equestrian
community*

Dr. Stefanie Mazer, PsyD, is a licensed psychologist and founder of MindWise, Inc., based in Wellington, Florida. She provides psychological services for individuals, couples, and families navigating the emotional, relational, and performance demands of equestrian sport and high-achievement environments. Her work addresses concerns such as anxiety, relationship dynamics, identity development, and performance-related stress.

Telepsychology services are available to clients in PSYPACT-participating states.
